

## WINNING RUN ON ERRORS

Italian A. C. Took a Loosely  
Played Ball Game

FROM GRANITEVILLE A. C.

Gabelloni and Olsen Were the Opposing  
Pitchers and Both Were Touched Up  
Lively, Where There Were  
Errors Galore.

With the score tied, 5 to 5, the Graniteville Athletic club base ball nine lost to the Italian Athletic club, 6 to 5, in the last half of the ninth inning at the Rangers grounds yesterday afternoon. The game was marked by loose playing and heavy hitting on both sides. The Italians won the game with nobody out and without a hit in the ninth.

Scampini was the first man up for the locals in the last half of the ninth and tapped out a fly hit to McDonald in center field. Mac had been catching everything up to this time, but for some reason he muffed an easy catch. Scampini then stole second, went to third on Gabelloni's ground hit to the third baseman, who threw wild to first and Gab. was safe. Davidi then hit a grounder to Miles at second, who threw to the plate, but threw low, the ball hitting the ground, and Craig failed to pick it up, allowing Scampini to score the winning run.

Gabelloni was in the box for the Italians and was touched up for eight hits, which coupled with ragged support in the field during the first part of the game gave the visitors a lead of 4 to 2 up to the fifth inning, when Olsen, who did the box work for the "Hill" boys, weakened and the locals landed on him for two doubles by Gabelloni and Colombo and a single by Scampini for three runs, putting the Italians one point in the lead.

In the sixth Graniteville got in one more tally, tying the score. Armstrong hit his base on Calcegni's miff of Scampini's throw, stole second, went to third on Scampini's wild throw to first on Olsen's ground hit and scored on a passed ball by Comolli. This ended the scoring for Graniteville and the Italians were also shut out for three innings, but in the last half of the ninth Graniteville's three errors in succession threw the game to the locals. Sheep Raising Hindered By Dogs.

An owner of fancy shepp at Middlebury is finding it almost impossible to prevent the decimation of his flock by dogs. This is by no means an isolated case. A Rutland man attempted a short time ago to go into the sheep business and invested a large sum in blooded stock but he soon discovered that it was impossible to carry on the industry on account of the dogs which were allowed to be at large and that chased and mutilated the animals. He closed out his experiment at a heavy loss. A West Rutland man had the same experience. It is a pity if worthless curs are allowed to prevent the building up of this branch of farming in Vermont. It would be interesting to know just what part dogs have played in the decadence of a once prominent industry in this state.—Rutland News.
